Borne by God's Promise to a Place of Hope
January 2006

**MOST SUCCESSFUL
GIFT OF HOPE EVER!**

*Thanks to all who honored a friend,
colleague, loved one, or who made a*

*single donation through the 2006
Gift of Hope. This years event
raised over \$32,000- an all time
record. Special thanks go to Dr.
Steve Lucas, who once again made
his special appeal to the medical
community, and to Ark board
member Kent Silver who made a
separate appeal to area attorneys.
The fundraiser would not have been
as successful without their support
and the support of all who gave so
generously. Your gifts will enable
The Ark to continue serving of our
neighbors in need.*
